

CHOCOLATE MOUNTAIN™

Design Patent No.: ZL.20043006692.7

HYPERLUX®

The Hyperlux CHOCOLATE MOUNTAIN™ is an unique device made from the finest 18/10 stainless steel and polished to a high mirror finish . It allows chocolate to cascade off the tiers towards to the basin. The fountain enables guests to indulge and dip their favorite fruits and marshmallows into the warm flowing chocolate.

An ideal addition for buffet, banquet, wedding and party, the Hyperlux chocolate fountain is a luxurious element that is perfect for any special occasion.
