

WOODY · THE ASHWOOD COLLECTION

Rustic meets simple elegance. The Woody Collection, which includes an assortment of trays in various sizes and beautiful bowls, are made from a blend of stainless steel and gorgeous wood grain that adds character and uniqueness. This collection can be used in a wide variety of serving uses and is the perfect platform for showcasing vibrant salads, delicious antipasto platters and an assortment of dips and sauces. This exclusive collection is a decoration asset and can also be used as centerpieces for display. The Wood Collection is also food safe.
